A **comprehensive menu** of Cascade Inn from [Cascade Locks](#) featuring all **51** dishes and drinks can be found here on the list. Dining at this restaurant offers a mixed bag of experiences. While some patrons appreciate the friendly staff and clean decor, others express disappointment in service and food quality. The halibut fish and chips, once a standout dish, now leaves something to be desired, often described as dense and pre-frozen. Though the atmosphere leans towards a bar and grill vibe, featuring limited seating and occasional dinginess, some meals, like the Reuben sandwich, still impress with generous portions. Unfortunately, unruly service from certain staff members detracts from the overall experience, affecting customer satisfaction in an otherwise promising venue.
