Get Stuffed restaurant provides a cozy and welcoming atmosphere with exceptional service. While some dishes like the Mussels and Brie starters and salmon were highlights, portion sizes seemed smaller and some items like the bacon-wrapped green beans were disappointing. The dessert selection fell short, with cold Creme Brulee and average bread pudding. Despite some inconsistencies, the menu offers a variety of options including dairy-free, gluten-free, [vegetarian](#), and vegan choices. Guests can enjoy a great view, cost-effective meals, and seasonal dishes. The lamb burger and sweet potato fries were standout items, paired with friendly and knowledgeable staff. Overall, Get Stuffed is a worthwhile dining destination with room for improvement.
