A **complete menu** of Fresh Ground from Randwick featuring all **49** dishes and drinks can be found here on the list. The restaurant offers a simple menu with a decent coffee selection. One customer was disappointed to be charged extra for butter and vegemite. However, another visitor enjoyed a fresh sandwich made with rye bread, grilled chicken, and fresh ingredients. Despite the positive food reviews, some customers found the service lacking, with delays in bringing out drinks and food to the same table. Despite the mixed service reviews, most patrons found the food to be delicious and generously portioned, especially for breakfast. The restaurant is known to be always busy, with a welcoming and relaxed atmosphere, making it a popular choice for locals and visitors alike. Recommended dishes include poached eggs with avocado, tomato, and zataar, as well as freshly made juices and bircher muesli. Overall, while some improvements may be needed in terms of timeliness, the restaurant's quality of food and welcoming ambiance make it a great spot for breakfast and lunch.
