On this homepage, you will find the **complete [menu](#) of Fresh Start Takeaway** from Boolaroo. Currently, there are **16** menus and drinks available. This bustling takeaway spot features a menu rich in tasty fish dishes and burgers, earning praise for their delicious offerings. However, the accompanying chips often disappoint, appearing uncharacteristically yellow and not freshly cut. While many enjoy the vibrant atmosphere and efficient staff, experiences can vary; some patrons report rude service, while others commend the team's camaraderie and responsiveness, especially when mistakes occur. Despite a few shortcomings, including inconsistent portion sizes, the fresh, crispy food and vibrant atmosphere often outweigh the negatives, making it a worthwhile stop for fish and chips enthusiasts.
