On this website, you will find the **complete [menu](#) of The Hornero** from Toronto. Currently, there are **23** meals and drinks available. Visitors to the restaurant have had mixed experiences, with some praising the top-notch food quality and friendly service, particularly singling out waitresses Jenny and Amy for their exceptional service. The Tuesday special was highly recommended for its generous portions and diverse flavors. However, some diners were disappointed with the lack of crispiness in the fried chicken and the overpowering sweetness of certain dishes. Overall, the atmosphere was marred by a loud outburst from staff at one point. Despite some drawbacks, the menu items like boneless chicken tenders and spicy rice cakes were highlighted as delicious and worth trying. A nice overall experience with slightly slow service and good discounts for cash payments.
