RESTAURANT & BAR

our story

## HELLO & THANK YOU FOR JOINING US

bos. Restaurant & bar was established through our passion for good food set in a relaxed environment. We added our love for hosting people into the mix and in November 2019 our dream became a reality.

After contemplating a name that would sound inviting as well as encompass our love for nature, we came across the Afrikaans spelling of the word "bush".

The idea was to create a unique experience unlike any other in the Lowveld.

At bos. Restaurant & bar we want you to sit back, relax with a jam-jar next to our swimming pool, watch the latest sporting match in our air-conditioned bar area or share a pizza on the deck while the kids splash away in the pool.

We continuously strive for customer satisfaction upholding professionalism at all times and we also believe in creating a fun space, with good food, for the whole family.

Our staff are encouraged to be authentic and as we are a diverse group of people we pride ourselves on respect. Respect for different cultures, beliefs & denominations.

Should you feel that you are not treated hospitably, kindly speak to our managers - Melissa or Miga.

We want you to leave bos. Restaurant & Bar in good spirit and a happy heart after escaping reality in our relaxed surroundings.

bos. Restaurant & Bar is managed and owned by family orientated & passionate individuals who care for their community.

We trust you will enjoy your visit as much as we enjoy hosting you.

Have fun and #GaanBOS!

*Danie & Morné*
