GUASACACA is one of the iconic sauces of Venezuelan food, its main ingredient is avocado and it will give a touch of freshness to your food.

MERKEN MAYO is the classic mayonnaise with merken (smoked chili seasoning), it is one of the typical ingredients of **Mapuche** cuisine; one of the original peoples of Chile.

We were born in Valparaíso (Chile), then we traveled through Latin America knowing different sabores, then we arrived in Stockholm and here we stayed giving Latin sabor with a touch of fiesta to your food.
